REPUBLICANS WILL CONTEST ELECTION!

REPUBLICAN MAJORITY INCREASES AS LATER RETURNS ARE TABULATED

Republican Electoral Vote Probably Be Raised To 374 with Addition of Montana and Nevada, Heretofore Democratic, to the G. O. P. Ranks—LaFollette Gain on Coolidge in South Dakota.

(By Associated Press)
NEW YORK, Nov. 6.—The Republican triumph in Tuesday's election assumes even greater magnitude as the counting of ballots nears completion. Over night returns increased the likelihood that the new administration will have a dependable majority of its own party in Congress. The returns also indicated that Montana and Nevada, heretofore considered as doubtful states, would give their electoral vote to Coolidge and Dawes. For a time LaFollette had threatened to capture one or the other. The addition of Montana and Nevada will increase the Republican electoral vote to 374 or 108 more than is needed to elect. The electoral vote of Davis and Bryan remained at 136 and apparently the only chance of increase was in New Mexico where the Democrats were holding the lead by only a scant plurality. LaFollette's last opportunity to increase his electoral vote of thirteen, given him by Wisconsin, seemingly hinged on the returns from North Dakota, the only other state, remaining on the doubtful column. Coolidge was leading, however, but LaFollette was gaining on the President as late returns were tabulated.

DOKEY TRAIN FROM HOUSTON TO BRYAN ON ARMISTICE DAY

HOUSTON, Nov. 6.—The special Dokey train from Houston to Bryan, on Armistice Day, was thrown open to the public Wednesday, according to C. F. Brown, Dokey secretary here. The round trip is \$5.35, the train leaving Houston at 9 a. m. and returning before 1 a. m.

GEORGE LONG IS IN CORPUS CHRISTI ARRANGING EXHIBIT ON "BLACK LAND SPECIAL"

George A. Long of this city is spending the week in Corpus Christi where he is arranging an exhibit of agricultural products of what is to be known as the "Black Land Special." Mr. Long has had much experience in such work, and has made many exhibits which have proven most beneficial in the educational program being put over in Texas by these special exhibit trains. On Sunday, November 9th, Mr. Long leaves Corpus Christi in charge of this "Black Land Special Train" for a tour through north and west Texas. The train will be shown at Paris, Sherman, Greenville and other points along the route.

SEC. EBERSTADT WILL SPEAK AT RALLY DAY GUERO NOVEMBER 21

CUERO, Nov. 6.—The Cuero Chamber of Commerce has planned a rally day on November 21, at which time S. E. Eberstadt, secretary of the Chamber of Commerce at Bryan, will be here as the principal speaker. Mr. Eberstadt will also address the women's club here in the afternoon.

BRAZOS COUNTY BROKE ALL FORMER RECORDS RAISING CAMPAIGN FUNDS

County Chairman Mrs. Lee J. Rountree has forwarded to W. L. Clayton of Houston, Chairman Texas Division, Democratic National Campaign, department of finance, the second installment of funds raised in Brazos for the Davis-Bryan ticket. The amount of the second remittance was \$56.50, which, added to the first amount transmitted to headquarters, of \$136.75, makes a total raised in Brazos county of \$193.25. A new record has been set in this drive as never before, according to the Eagle's information, has any national democratic campaign succeeded in raising much more than \$50 and this year it went to nearly four times that amount. Mrs. Rountree wishes to express her thanks and appreciation to all those who, by their liberal contributions, made this record possible and helped materially toward the success of the Democratic part.

SENATOR CABOT LODGE REPORTED SERIOUSLY ILL--UNCONSCIOUS

(By Associated Press)
CAMBRIDGE, Mass., Nov. 6.—The condition of Senator Cabot Lodge, who suffered a stroke of apoplexy on yesterday at Charleston Hospital where he was operated upon some time ago, was declared in a bulletin issued at noon today to be unchanged. Senator Lodge has been unconscious for the last twenty-four hours.

SENATOR BROOKHART WINS BY 645 VOTES

(By Associated Press)
DES MOINES, Iowa, Nov. 6.—Unofficial but complete returns from all precincts in Iowa today showed Senator Brookhart leading his democratic opponent Daniel Steck by 66 votes. The complete unofficial vote gave Brookhart 446,506 and Steck 445,440 votes. Senator Brookhart was 645 votes ahead of Daniel Steck, Democrat in Senatorial contest at noon today when a score of election boards had re-checked Tuesday's election.

SINGER AT CHRISTIAN REVIVAL ON PROGRAM AT ROTARY MEETING

Following the fine luncheon repast and the singing of such songs as "Let the Rest of the World Go By," "My Wild Irish Rose," "Sweet Adeline," "Old Town of Mine," and "My Rotary," led by Gene Humbert and Jno. W. Black, the program was turned over to W. S. Barron, leader for the day. He introduced Rev. L. Guy Ament, pastor of the Christian church, who spoke briefly in introducing Rev. Al B. Nelson and A. L. Haley, evangelist and singer for the revival services being held this week at the church, at the same time extending a cordial invitation to members of Rotary to come out and hear Rev. Nelson and the singing.

Rev. Nelson talked along the line of "publicity" as represented by legitimate and straightforward advertising and "notoriety" as the gaining of publicity at any cost. He said that the word "model" had gained common usage through "legitimate publicity" but was a much misused one. He said that the word meant "little and the definition of which really was "a small imitation of the real thing" had come to mean much more than that today and something that was "model" was considered superlatively good, right, or of the best.

Splendid Entertainment.
The remainder of the time was freely given to Mr. Haley, evangelist singer, who has been an entertainer on Chautauqua platforms and who delightfully entertained with a number of amusing and entertaining tricks which brought much applause from his audience. Mr. Haley got "publicity."

At the opening of the program under the leadership and direction of W. S. Barron, Superintendent Madison Hall spoke briefly on behalf of the high school weekly publication, requesting support both as to subscriptions and advertising. He also outlined the importance of the big football game between Bryan high and Caldwell high at Caldwell and asked that a big delegation of Rotarians and business men of Bryan accompany the team on this trip and help in the effort to wrest the championship of District No. 13 in the State Inter-scholastic League.

Present at the meeting were: T. A. Adams, W. S. Barron, C. S. Beckwith, C. L. Beason, J. W. Black, Wilson Bradley, J. F. Casey, Gabe Cazell, W. J. Coulter, W. B. Cline, Jess Conlee, W. C. Davis, E. B. Elliott, W. E. Farmer, E. J. Fernier, H. C. Fulgham, C. E. Griesser, G. P. Grout, O. W. Goolsbee, W. W. Griffin, F. L. Henderson, Chas. Hillier, Madison Hall, Kay Halsell, Tyler Haswell, E. P. Humbert, H. N. June, J. H. Kraft, T. K. Lawrence, Jr., J. Lawrence, J. M. McKensie, A. S. McSwain, W. I. McCulloch, Roy Montgomery, J. W. Payne, J. T. S. Park, M. L. Parker, David Reid, J. L. Reese, Chas. Sosolik, H. T. Schovassa, C. C. Todd, M. E. Wallace, D. L. Wilson, C. G. Walker, H. H. Williamson, T. R. White, I. E. Warren, E. E. Yeager; H. Gohler and R. J. Dunn, new members; Visitors: Miss Nora Ward, Ervin Smith, Barry of Ft. Smith, Ark.; Rev. L. Guy Ament, Rev. Al B. Nelson of Ladonia; A. L. Haley, singer; Miss Ruth Knox, pianist; and H. D. Cuykendall of the Bryan Eagle.

WALTON OF OKLAHOMA IS OVERWHELMINGLY DEFEATED

(By Associated Press)
OKLAHOMA CITY, Nov. 6.—The lead of W. B. Pine, Republican, over former Governor Jack C. Walton for United States Senator had increased nearly 125,000 today. The vote stood 288,264 for Pine and 163,699 for Walton.

MRS. FERGUSON LEADING BUTTE

MRS. FERGUSON WAS 40,000 IN THE LEAD WHEN TABULATION WAS STOPPED

NEFF CONGRATULATES

(By Associated Press)
DALLAS, Nov. 6.—While George C. Butte, Republican, declined to concede his defeat by Mrs. Miriam A. Ferguson, Democrat, in Tuesday's election for governor of Texas, the Republican headquarters and one tabulating agency in the state today announced efforts would be made to obtain complete returns. Mrs. Ferguson was leading Butte by more than 40,000 when tabulation was discontinued early Wednesday. W. E. Talbot, campaign manager for George C. Butte, said, however, reports from fifteen counties, including Eastland, had been received, bearing evidence that Butte ballots had been thrown out uncounted and that these reports are sufficient to warrant investigation which he indicated would be made.

NEFF SENDS MESSAGE

AUSTIN, Nov. 6.—A message of congratulations was sent today by Governor Pat M. Neff to Mrs. Miriam A. Ferguson.

KU KLUX KLAN HALL DESTROYED BY FIRE LOSS OVER \$50,000

(By Associated Press)
FT. WORTH, Nov. 6.—The Fort Worth Ku Klux Klan Hall, recently completed at a cost of approximately \$50,000, was destroyed by fire this morning. The origin of the fire is unknown.

BRYAN GUN CLUB WILL HOLD OPEN SHOOT FOR TROPHIES ON NOV. 11

As a feature of the great Knights of Pythias Armistice Day celebration in Bryan on November 11, the Bryan Gun Club has decided to hold an open tournament all day long. There are 30 prizes to be awarded during the course of the day to different winners of the scheduled events. These prizes are on display today in the window of the N. A. Stewart Drug Store. They include: Six Swift's Premium hams, \$5 each; minnow bucket, fish bucket, electric lantern, Thermomax gallon jar, kitchen set, camp fire stove, meerschaum pipe, \$3 safety razor, duck call, gun case, fountain pen, pencils, ram-rod, leather pocket book and bill fold, \$4 hunting knife, dog collar and chain, 2 bottles of toilet water, 3 boxes of shotgun shells. The Gun Club extends a hearty invitation to all who care to come to visit the grounds in Evan's pasture on College road and participate in the day's shoot.

MRS. BERNICE CLAYTON OF COLLEGE TALKS TO KURTEN WOMEN ON WEDNESDAY

Mrs. Bernice Clayton, home economic specialist of the A. and M. College Extension Service department visited the Girls' and Women's Home Demonstration Club at Kurten on Wednesday. Mrs. Clayton talked on "Home Improvement" to the girls and to the women she talked on "Kitchen Improvement." She was accompanied by Miss Laura Belle Roten, county home demonstration agent. Both meetings were very successful.

Jordan T. Lawler went to Fort Worth today on business.

PEACE ON EARTH AND GENERAL GOOD WILL ARE FOUNDATION OF ARMISTICE DAY CELEBRATION IN BRYAN NOV. 11TH

"Peace on earth, good will toward men," was the battle hymn heralded from the skies, that marked the coming of the Supreme Peace of the centuries. We celebrate on November 11 another peace, the greatest since that far off day when the morning stars sang together and the angels shouted "peace on earth" to the waiting shepherds on Judean hills. We celebrate the peace of the world—that peace which silenced the guns of war from the Marne to the Rhine. Peace that brought the sunshine once more to a weary land and attuned in perfect harmony the voices of singing birds. Peace that rekindled the lights on a thousand hills and caused the passing winds to catch up once more the chiming of long-silent church bells. Peace that stilled with silent joy the mother-heart of the world and caused a gentle hush to

CHARLEY GODWIN DIES RESULT OF INJURIES RECEIVED IN ACCIDENT

The tragic death of Charley Godwin, youngest son of Mrs. E. L. Godwin of this city, which occurred last night, as a result of injuries received in the accident at the municipal power house, has cast a gloom over the entire city and county. In perfect health and strength, busy at his work and with hope and ambitions bright before him, Charley Godwin went to his duties on Wednesday morning, and today, he is no more. Truly, "in the midst of life we are in death." Friends of the family would bring comfort to the broken hearts if it were possible, but in times of such grief and sadness, only the Great Comforter can heal the wounded spirits, and give "beauty for ashes."

Charley Godwin was born in Bryan, Texas, November 9th, 1899, and had lived here all his life. A noble son, his aged mother was his first thought, and to her he was indeed loving and thoughtful. Besides his mother, he is survived by one brother, James Godwin, and three sisters, Mrs. Eula Miller, Mrs. M. A. Robertson and Mrs. W. M. Smith, all of Bryan. The funeral will be held at the family home on north Bryan Street Friday morning at 10 o'clock. Dr. John A. Held, pastor of the First Baptist church, conducting the services. Interment will be made at the Bryan cemetery, with McCulloch-Gordon, funeral directors, in charge.

DAILY COTTON LETTER

(H. and B. Beer Daily Cotton Letter. Received by A. S. McCollum, Bryan)

NEW ORLEANS, La., Nov. 6.—The sustaining feature of the market today was prospects for less favorable weather in the western half of the cotton region, probably rain and much colder, perhaps snow in Northwest Texas and in Central and Northern Oklahoma.

Two additional private crop estimates were released today, returns to the Giles Bureau pointing to a yield of 13,000,000, of which 85 per cent is estimated to have been picked vs. 80 per cent last year, and 70 per cent ginned vs. 74.3 per cent last year. On the other hand, returns to the Southern Cotton Company point to a crop of only 12,263,000 bales, acreage abandoned 4.6 per cent. In its previous forecast, as of October 18, the government allowed for land abandoned and all other conditions, yet forecasted a production of 12,675,000. The general impression is that next Saturday's government report will point to a production of somewhat larger than its last forecast, which was 12,675,000 bales and probably show heavy gains to November 1st.

Large Ginnings Expected.
Of the 12 private reports issued so far, the average indicated yield is 12,697,000 bales and the average 12 private estimates on ginning range from 9,600,000 to 9,750,000 bales is 9,675,000 vs. 7,556,000 to November 1st last year. This afternoon rumor has it that the Fossick Bureau, of Memphis, is coming out with a production of 9,900,000 ginned to the first inst.

If ginnings are heavy and the government estimates a crop of 12,800,000 or larger, the market will likely decline, probably advance if 12,600,000 or less, especially if ginnings are smaller than looked for.

Large ginnings are generally expected because of the long stretch of good weather for picking and ginning and because of the larger crop than last year, but the crop is being gathered unusually fast, especially in the Southwest, principally in Texas, and ginnings after November 1st are likely to show a marked falling off as the season grows older. In view of improving international trade prospects, and the ability of the South to finance the unmarketed portion of the crop, good trade and speculative buying is likely on any decline of importance.

Jordan T. Lawler went to Fort Worth today on business.

PEACE ON EARTH AND GENERAL GOOD WILL ARE FOUNDATION OF ARMISTICE DAY CELEBRATION IN BRYAN NOV. 11TH

"Peace on earth, good will toward men," was the battle hymn heralded from the skies, that marked the coming of the Supreme Peace of the centuries. We celebrate on November 11 another peace, the greatest since that far off day when the morning stars sang together and the angels shouted "peace on earth" to the waiting shepherds on Judean hills. Peace that stilled with silent joy the mother-heart of the world and caused a gentle hush to

fall on Flanders Field where poppies grow. As we come together to celebrate this great peace let us remember the spirit of the occasion. And while we come as separate organizations, separate societies, separate institutions, let there be no differences, no strife, no discord. Let us forget ourselves and the interests we represent and think only of the day we celebrate. Let us be of "one accord in one place," and in this way we will emphasize the spirit of the shepherd song of the angels on that Christmas morning as the infant Savior lay asleep in Bethlehem. It is in this spirit of Friendship, Charity and Benevolence that the Knights of Pythias welcome you to Bryan. J. T. MALONEY, JNO. M. CALDWELL, GEO. E. HADLEY, JNO. A. HELD, M. E. WALLACE, Committee.

BRYAN FIRE DEPARTMENT TEAM WON THIRD PLACE COTTON PALACE MEET

Local Volunteer Fire-Fighters Won Hundred Dollars—Fort Worth and Hillsboro Tied for First Place in Motor Apparatus Contest—Former City Manager McAdams Congratulates Local Team.

The team of the Bryan Fire Department returned last night in cars from Waco where they entered the Firemen's Racing Contest at the Cotton Palace on Wednesday afternoon. The local team won third in their section of the contests which was motor apparatus which is the same as used in Bryan in their regular work of fighting fires. By virtue of taking third place the Bryan team won the \$100 prize offered and brings this sum back to the fire department fund. This was the first time that a team of the Bryan Fire Department has ever entered a state or district or other tournament of any kind and they feel justly proud of their accomplishments and have brought honor to Bryan and have made the city to know that they have an efficient volunteer department ready to serve the people of our home locality.

The following is the result of the contest which was to lay 200 feet of hose from the hydrant, break the hose at 150 feet, attach the nozzle there and throw water: Brownwood, 42 2-5 seconds; Cameron 40 4-5 sec.; Sweetwater, 38 1-5 sec.; Fort Worth, 35 4-5 sec.; Hillsboro, 35 4-5 sec.; Belton, 38 1-5; Taylor, no time, lost nozzle when water was attached; Bryan, 37 1-5; Stephenville, no time. First place was given \$400; second place, \$200, and third place \$100. City Manager E. E. McAdams of Waco was present at the contest and stayed with the Bryan team, congratulating the work of the men, the team as a whole, the individual men and the City of Bryan.

The following made the trip from the local volunteer department to Waco at their own expense: Chief C. E. Jenkins, A. K. Brown, captain of the team, and the team personnel: C. A. Hamilton, driver; H. J. Burger, who had his hand and both knees injured when he tripped over a hose in getting off the Waco truck used in the contest and yet made the connection in good time; Sam Noto, J. J. Stansy, who fell on the muddy field wet with water thrown in previous races; W. A. Seibert, C. C. Maigne.

BRYAN WOMAN'S CLUB MEETING REPORTED

The regular meeting of the Bryan Woman's Club was held at Carnegie Library club rooms Wednesday from 3 to 5 p. m. with a good attendance. The resignation of Mrs. W. N. Sholl was read and accepted with sincere regret. Mrs. Webb Howell was elected alternate to represent the Bryan Woman's Club at the meeting of the State Federation of the Women's Clubs at Amarillo.

The house committee, Mrs. B. U. Sims and Mrs. C. A. Searcy, had placed attractive baskets of blooming oleander on window ledges and on the presidents desk, and in November such blossoms were most attractive, an emphasized the fact of "summer lingering still."

DR. BITTLE FORMER BRYAN CITIZEN QUITE ILL--RELATIVES HERE

TEXARKANA, Nov. 6.—Dr. F. D. Bittle, for thirty years one of the best known dentists in this section, while at work over a patron Wednesday afternoon was suddenly seized with a convulsion and fell to the floor, fracturing his right shoulder. Dr. Bittle was conveyed to a hospital where an hour later he regained consciousness. His condition is said to be serious. It is believed he sustained a light apoplectic stroke.

This bit of news will be read in Brazos county with much interest as Dr. Bittle was reared in Bryan and has a mother, Mrs. T. C. Bittle; a brother, Guy P. Bittle, and two sisters, Mrs. C. C. Todd and Mrs. J. B. Bagley of College Station. A telephone message from Texarkana this morning brought the news that Dr. Bittle's condition was serious but not necessarily fatal. The family is quoted as being on a moment's notice if the report comes they are needed.

COLD WEATHER IS NOW PREDICTED

WEATHER BUREAU FORECASTS FREEZING WEATHER IN NEXT TWENTY-FOUR HOURS

FREEZING IN PANHANDLE

(By Associated Press)
DALLAS, Nov. 6.—Low barometer readings over New Mexico, with snow in portions of Colorado, Utah, and Western Canada, and high barometer areas over the Atlantic States is heading colder weather toward Texas, according to the local Weather Bureau. Within the next twenty-four hours freezing weather will reach the Panhandle, while there will be cooler weather throughout the entire state, is the bureau forecast.

MRS. MARY WYSE ONCE BRYAN CITIZEN RECOVERING FROM FALL

Mrs. Mary Wyse, wife of the late Charley Wyse, and who lived for many years in Bryan, will be remembered by a host of friends in this her home in Houston with her daughter, Mrs. R. W. Mulford, formerly Miss Lucile Wyse. Several months ago Mrs. Wyse fell and fractured her hip, and since the accident she was in a hospital for some time. She is now at home and sufficiently recovered to be wheeled about the house in a chair, and is improving nicely. She is in good health and spirits, and at the advanced age of 80 years and is interested in all the affairs of her city and state, and her cheery words and bright, happy personality makes her a joy and blessing to all around her. Mrs. Wyse is a sister of John M. Caldwell, and Mrs. Payne of this city. Mrs. Caldwell has just returned from a two weeks' visit with Mrs. Wyse and her daughter, Mrs. Mulford, at their home at Montrose.

STOCKER HOGS SOLD IN THIS SECTION TO FATTEN ON ACORNS

Sales of live stocker hogs by M. J. Tremont in Brazos and Grimes counties amount to a total of \$12,800. These hogs were shipped from Lampasas, San Saba and Llano. They were shipped to this territory and sold to the farmers who will return them later on the market at a profit. It is predicted that these hogs will come back to the market, bringing around 8 and 9 cents. They were sold to go on acorns at 8 1-2 cents. They should return and double the price paid for them.

The continued drought has hindered the work of preparing the soil, for planting out shrubs, especially this coming year. Many home owners have planned to make a showing of rose beds in their home yards this year, and November is the month of planting.

J. H. White, Sr., of the Wixon community was among the visitors in Bryan today.

Rev. and Mrs. C. B. Thompson and the latter's mother, Mrs. Lawless, of Kurten, have returned from attending the State Free Baptist church conference held last week in Comanche.

Mrs. R. C. Franks has returned from a six weeks' visit to her mother, at Prescott, Arkansas.

COTTON MARKET

Cotton futures closed today 30 to 35 points down. Local spots were quoted at 21 1-4 cents, middling basis.

HON. JOHN L. WORTHAM DIED HOUSTON TODAY

P. S. Park received a telegram today from W. E. Meador of Houston, telling him of the death of his good friend, John L. Wortham, at an early hour this morning. Mr. Wortham was about 62 years of age and had served his state in many places of trust. He was former railroad commissioner and financial agent for the State penitentiary. For the past few years he has made his home in Houston at the Rice Hotel. He died of pneumonia. Funeral services will be held in Houston Thursday afternoon and Mr. Park will attend. Mr. Park and Mr. Wortham were boyhood friends, beginning back in 1876 at Mexia, Limestone county, and this friendship has continued all through these years. Only last Thursday Mr. Park visited with Mr. Wortham at his office at Houston.

MARRIAGE LICENSES FOR BRAZOS COUNTY

Butte, said, however, reports from fifteen counties, including Eastland, had been received, bearing evidence that Butte ballots had been thrown out uncounted and that these reports are sufficient to warrant investigation which he indicated would be made.

KU KLUX KLAN HALL DESTROYED BY FIRE LOSS OVER \$50,000

(By Associated Press)
FT. WORTH, Nov. 6.—The Fort Worth Ku Klux Klan Hall, recently completed at a cost of approximately \$50,000, was destroyed by fire this morning. The origin of the fire is unknown.

BRYAN GUN CLUB WILL HOLD OPEN SHOOT FOR TROPHIES ON NOV. 11

As a feature of the great Knights of Pythias Armistice Day celebration in Bryan on November 11, the Bryan Gun Club has decided to hold an open tournament all day long. There are 30 prizes to be awarded during the course of the day to different winners of the scheduled events. These prizes are on display today in the window of the N. A. Stewart Drug Store. They include: Six Swift's Premium hams, \$5 each; minnow bucket, fish bucket, electric lantern, Thermaware gallon jar, kitchen set, camp fire grub stake; meerschaum pipe, \$3 safety razor; duck call, gun case, fountain pen; pencils, ram-rod, leather pocket book and bill fold, \$4 hunting knife, dog collar and chain, 2 bottles of toilet water, 3 boxes of shotgun shells. The Gun Club extends a hearty invitation to all who care to come to visit the grounds in Evan's pasture on College road and participate in the day's shoot.

MRS. BERNICE CLAYTOR OF COLLEGE TALKS TO KURTEN WOMEN ON WEDNESDAY

Mrs. Bernice Claytor, home economic specialist of the A. and M. College Extension Service department visited the Girls' and Women's Home Demonstration Club at Kurten on Wednesday. Mrs. Claytor talked on "Home Improvement" to the girls and to the women she talked on "Kitchen Improvement." She was accompanied by Miss Laura Belle Roten, county home demonstration agent. Both meetings were very successful.

Jordan T. Lawler went to Fort Worth today on business.

PEACE ON EARTH AND GENERAL GOOD WILL ARE FOUNDATION OF ARMISTICE DAY CELEBRATION IN BRYAN NOV. 11TH

"Peace on earth, good will toward men," was the battle hymn heralded from the skies, that marked the coming of the Supreme Peace of the centuries. We celebrate on November 11 another peace, the greatest since that far off day when the morning stars sang together and the angels shouted "peace on earth" to the waiting shepherds on Judean hills.

We celebrate the peace of the world—that peace which silenced the guns of war from the Marne to the Rhine. Peace that brought the sunshine once more to a weary land and attuned in perfect harmony the voices of singing birds. Peace that rekindled the lights on a thousand hills and caused the passing winds to catch up once more the chimes of long-silent church bells. Peace that stilled with the silent joy the mother-heart of the world and caused a gentle hush to

CHARLEY GODWIN DIES RESULT OF INJURIES RECEIVED IN ACCIDENT

The tragic death of Charley Godwin, youngest son of Mrs. E. L. Godwin of this city, which occurred last night, as a result of injuries received in the accident at the municipal power house, has cast a gloom over the entire city and county. In perfect health and strength, busy at his work and with hope and ambitions bright before him, Charley Godwin went to his duties on Wednesday morning, and today, he is no more. Truly, "in the midst of life we are in death." Friends of the family would bring comfort to the broken hearts if it were possible, but in times of such grief and sadness, only the Great Comforter can heal the wounded spirits, and give "beauty for ashes."

Charley Godwin was born in Bryan, Texas, November 9th, 1899, and had lived here all his life. A noble son, his aged mother was his first thought, and to her he was indeed loving and thoughtful. Besides his mother, he is survived by one brother, James Godwin, and three sisters, Mrs. Eula Miller, Mrs. M. A. Robertson and Mrs. W. M. Smith, all of Bryan. The funeral will be held at the family home on North Bryan Street Friday morning at 10 o'clock. Dr. John A. Held, pastor of the First Baptist church, conducting the services. Interment will be made at the Bryan cemetery, with McCulloch-Gordon, funeral directors, in charge.

DAILY COTTON LETTER

(H. and B. Bear Daily Cotton Letter. Received by A. S. McCollum, Bryan)

NEW ORLEANS, La., Nov. 6.—The sustaining feature of the market today was prospects for less favorable weather in the western half of the cotton region, probably rain and much colder, perhaps snow in Northwest Texas and in Central and Northern Oklahoma.

Two additional private crop estimates were released today, returns to the Giles Bureau pointing to a yield of 13,000,000, of which 85 per cent is estimated to have been picked vs. 80 per cent last year, and 70 per cent ginned vs. 74.3 per cent last year. On the other hand, returns to the Southern Cotton Company point to a crop of only 12,263,000 bales, acreage abandoned 4.6 per cent. In its previous forecast, as of October 18, the government allowed for land abandoned and all other conditions, yet forecasted a production of 12,675,000. The general impression is that next Saturday's government report will point to a production of somewhat larger than its last forecast, which was 12,675,000 bales and probably show heavy ginnings to November 1st.

Large Ginnings Expected.
Of the 12 private reports issued so far, the average indicated yield is 12,697,000 bales and the average 12 private estimates on ginning range from 9,600,000 to 9,750,000 bales is 9,675,000 vs. 7,550,000 to November 1st last year. This afternoon rumor has it that the Fossick Bureau, of Memphis, is coming out with a production of 9,900,000 ginned to the first, inst.

If ginnings are heavy and the government estimates a crop of 12,500,000 or larger, the market will likely decline, probably advance if 12,600,000 or less, especially if ginnings are smaller than looked for.

Large ginnings are generally expected because of the long stretch of good weather for picking and ginning and because of the larger crop than last year, but the crop is being gathered unusually fast, especially in the Southwest, principally in Texas, and ginnings after November 1st are likely to show a marked falling off as the season grows older. In view of improving international trade prospects, and the ability of the South to finance the crop, good trade and speculative buying is likely on any decline of importance.

BRYAN FIRE DEPARTMENT TEAM WON THIRD PLACE COTTON PALACE MEET

Local Volunteer Fire-Fighters Won Hundred Dollars—Fort Worth and Hillsboro Tied for First Place in Motor Apparatus Contest—Former City Manager McAdams Congratulates Local Team.

The team of the Bryan Fire Department returned last night in cars from Waco where they entered the Firemen's Racing Contest at the Cotton Palace on Wednesday afternoon. The local team won third in their section of the contests which was motor apparatus which is the same as used in Bryan in their regular work of fighting fires. By virtue of taking third place the Bryan team won the \$100 prize offered and brings this sum back to the fire department fund. This was the first time that a team of the Bryan Fire Department has ever entered a state or district or other tournament of any kind and they feel justly proud of their accomplishments and have brought honor to Bryan and have made the city to know that they have an efficient volunteer department ready to serve the people of our home locality.

The following is the result of the contest which was to lay 200 feet of hose from the hydrant, break the hose at 150 feet, attach the nozzle there and throw water: Brownwood, 42 2-5 seconds; Cameron 40 4-5 sec.; Sweetwater, 38 1-5 sec.; Fort Worth, 35 4-5 sec.; Hillsboro, 35 4-5 sec.; Belton, 38 1-5; Taylor, no time, lost nozzle when water was turned on before nozzle was attached; Bryan, 37 1-5; Stephenville, no time. First place was given \$400; second place, \$200, and third place \$100. City Manager E. E. McAdams of Waco was present at the contest and stayed with the Bryan team, congratulating the work of the men, the team as a whole, the individual men and the City of Bryan.

The following made the trip from the local volunteer department to Waco at their own expense: Chief C. E. Jenkins, A. K. Brown, captain of the team, and the team personnel: C. A. Hamilton, driver; H. J. Burger, who had his hand and both knees injured when he tripped over a hose in getting off the Waco truck used in the contest and yet made the connection in good time; Sam Noto, J. J. Stasny, who fell on the muddy field wet with water thrown in previous races; W. A. Seibert, C. C. Maigne.

BRYAN WOMAN'S CLUB MEETING REPORTED

The regular meeting of the Bryan Woman's Club was held at Carnegie Library club rooms Wednesday from 3 to 5 p. m. with a good attendance. The resignation of Mrs. W. N. Sholl was read and accepted with sincere regret. Mrs. Webb Howell was elected alternate to represent the Bryan Woman's Club at the meeting of the State Federation of the Women's Clubs at Amarillo.

The house committee, Mrs. B. U. Sims and Mrs. C. A. Searcy, had placed attractive baskets of blooming oleander on window ledges and on the presidents desk, and in November such blossoms were most attractive, an emphasizing the fact of "summer lingering still."

DR. BITTLE FORMER BRYAN CITIZEN QUITE ILL—RELATIVES HERE

TEXARKANA, Nov. 6.—Dr. F. D. Bittle, for thirty years one of the best known dentists in this section, while at work over a patron Wednesday afternoon was suddenly seized with a convulsion and fell to the floor, fracturing his right shoulder. Dr. Bittle was conveyed to a hospital where an hour later he regained consciousness. His condition is said to be serious. It is believed he sustained a light apoplectic stroke.

This bit of news will be read in Brazos county with much interest as Dr. Bittle was reared in Bryan and has a mother, Mrs. T. C. Bittle; a brother, Guy P. Bittle, and two sisters, Mrs. C. C. Todd and Mrs. J. B. Bagley of College Station. A telephone message from Texarkana this morning brought the news that Dr. Bittle's condition was serious but not necessarily fatal. The family is ready to leave on a moment's notice if the report comes they are needed.

COLD WEATHER IS NOW PREDICTED

WEATHER BUREAU FORECASTS FREEZING WEATHER IN NEXT TWENTY-FOUR HOURS

FREEZING IN PANHANDLE

(By Associated Press)
DALLAS, Nov. 6.—Low barometer readings over New Mexico, with snow in portions of Colorado, Utah, and Western Canada, and high barometer areas over the Atlantic States is heading colder weather toward Texas, according to the local Weather Bureau. Within the next twenty-four hours freezing weather will reach the Panhandle, while there will be cooler weather throughout the entire state, is the bureau forecast.

MRS. MARY WYSE ONCE BRYAN CITIZEN RECOVERING FROM FALL

Mrs. Mary Wyse, wife of the late Charley Wyse, and who lived for many years in Bryan, will be remembered by a host of friends in this, her old home. Mrs. Wyse now makes her home in Houston with her daughter, Mrs. R. W. Mulford, formerly Miss Lucile Wyse. Several months ago Mrs. Wyse fell and fractured her hip, and since the accident she was in a hospital for some time. She is now at home and sufficiently recovered to be wheeled about the house in a chair, and is improving nicely. She is in good health and spirits, and at the advanced age of 80 years is interested in all the affairs of her city and state, and her cheery words and bright, happy personality makes her a joy and blessing to all around her. Mrs. Wyse is a sister of John M. Caldwell, and Mrs. Payne of this city. Mrs. Caldwell has just returned from a two weeks' visit with Mrs. Wyse and her daughter, Mrs. Mulford, at their home at Montrose.

STOCKER HOGS SOLD IN THIS SECTION TO FATTEN ON ACORNS

Sales of live stocker hogs by M. J. Tremont in Brazos and Grimes counties amount to a total of \$12,800. These hogs were shipped from Lampasas, San Saba and Llano. They were shipped to the farmers who will return them later on the market at a profit. It is predicted that these hogs will come back to the market, bringing around 8 and 9 cents. They were sold to go on acorns at 8 1-2 cents. They should return and double the price paid for them.

The continued drought has hindered the work of preparing the soil, for planting out shrubs, especially the many rose bushes which will be planted this year. Many home owners have planned to make a showing of rose beds in their home yards this year, and November is the month of planting.

J. H. White, Sr., of the Wixon community was among the visitors in Bryan today.

Rev. and Mrs. C. B. Thompson and the latter's mother, Mrs. Lawless, of Kurten, have returned from attending the State Free Baptist church conference held last week in Comanche.

Mrs. R. C. Franks has returned from a six weeks' visit to her mother, at Prescott, Arkansas.

COTTON MARKET

Cotton futures closed today 30 to 35 points down. Local spots were quoted at 21 1-4 cents, middling basis.

WATCH YOUR STEP

If there is an institution that is not filling the needs of the people, it is not right in principle and does not supply a demand, it will eventually die out and pass into oblivion. But the good things we have should be retained and boosted until they can give a greater measure of service. Let's watch ourselves and see what we can do to promote those worth-while institutions that we have and gain new ones if possible. There are many little ways in which we can help and after all it is the little things that in the course of time and accumulation mount up into the big things. The sin of omission is often greater than the sin of commission and all of us being human are apt to commit both. We can do much to alleviate the number and weight of our sins if we will but heed the things which we are apt to consider too trifling to be worth while. Watch your step in all things and support the worth-while things. Let's keep all that we have that is worth-while.

BE A "GAME SPORT"

No man likes to be called a "poor sport." But there is no other term that can be applied to those who violate the State game laws, and shoot quail and other birds out of season. By so doing one is not only violating the law and making himself liable to a fine if not more serious punishment, but he is also taking advantage of the other fellows who are law-abiding and true sportsmen and awaiting the time when all can enjoy the fun. The Bryan Gun Club has taken a noteworthy step in that they will give a twenty-five dollar reward for information leading to the arrest and conviction of any violator of the game law. The dove and duck season opens in this section on tomorrow, November 1st, but not on quail, which is a month distant yet. Each member of the Gun Club has pledged himself and gone on record to report any violator that he catches shooting game out of season and also pledges not to try to cover up who did the reporting, but stand ready to acknowledge that he had reported the case to any and all who wanted to know. This policy will do much toward eliminating the practice in Brazos and adjoining counties of killing game out of season.

SOMETHING TO THINK ABOUT

Some one has figured it out that each boy has cost his parents or some one else an average of \$200 a year from the day he was born. Figuring on that basis then a 16 year old boy would be worth \$3,200 in dollars and cents. It don't take much more figuring to know that Bryan has a mighty sum of dollars and cents invested in her boys. The greatest work of any town, community, state or nation is the child is as the potters' clay, out of which these are to be made, and the character of them as to whether they are good or bad is largely dependent upon the environment furnished them in which to grow and develop. Now that we have this investment in dollars and cents in our boys, the next question is what are we doing to conserve that investment. Are we as a community doing our part in providing the right environment and right recreation that will make of this material—boys good men? How much has Bryan invested in boys and what are we doing to conserve that investment? This is something for every Bryan citizen to think about.

WELL DEFINED

A writer recently had the following to say about the wicked work of the back-biter and scandal monger: "After God had finished the rattle-snake, the toad and the vampire, he had some awful substance left, with which He made the scandal-monger. A scandal-monger is a two-legged animal with a corkscrew soul, a water-logged brain and a backbone made of jelly and glue. Where other men have their hearts he has a tumor of decayed principles. When the scandal-monger comes down the street, honest men turn their backs, the angels in heaven weep, and the devil shuts the gates of hell to keep him out."

"A dignified and contemptuous silence is about the best antidote for the poison which comes from the tongue of the human serpent. An ungodly man digeth up evil; and in his lips there is as a burning fire."

The Casual Caller wants to know why it is that the public takes no notice of the 15,000 persons killed and many times that many injured each year by automobiles. Is the loss to be taken as a matter of course? If 15,000 lives were blotted out by some unavoidable accident, either from a steam ship, mine or anything of the kind, the Nation would reel with horror, and papers would flash it around the world. And in less than twenty-four hours an investigation would be started to find the cause and make those in authority responsible. Yet the reckless auto driver can take his toll almost unnoticed. Something should be done to impress upon the public the appalling toll of the reckless auto driver. Stop, think, heed!

BAPTIST ASSOCIATION MEETS STEEP HOLLOW IN TWO DAY SESSION

The annual meeting of the Brazos County Baptist Association met Thursday morning for a two days session with the Steep Hollow Baptist church. W. H. Buchanan of Kurten, who has served the association as moderator for the past three years, presided over the meeting, and Rev. J. J. Pipkin, associational missionary, acted as clerk. A splendid crowd was present at the opening hour, 10 o'clock, and by noon the church was filled. With Mrs. R. L. Brown as organist, and P. L. Barron of Wellborn as chorister, an inspiring song service was enjoyed, after which officers for the association for 1924-25 were duly elected, as follows: W. H. Buchanan, Kurten, re-elected moderator; S. M. Hunter, Bryan, re-elected clerk; Dr. John A. Held, Bryan, re-elected corresponding secretary; C. S. Jones, Bryan, re-elected treasurer. Letters of petition for membership in the association were received from the First Baptist church, of College Station, and same was voted upon unanimously, and the church cordially welcomed.

The Opening Sermon.

No other business was transacted at the morning session. Rev. R. L. Brown, pastor of the First Baptist church, College Station, then preached the opening sermon, taking for a text the last three verses of the last chapter of Matthew, which gives the Great Commission, "Go ye into all the world and preach the Gospel to every creature." The preacher was at his best and brought a message of great spiritual power to the waiting congregation. He urged them to "be about the Master's business," and cited facts and figures, showing that only about 76 per cent of the church members are enlisted in the active program of the church. Consecration of time and talent to the work of the Kingdom, was beautifully expressed as the remedy for lack of service in so many lives. At the close of the sermon many crowded forward to take the preacher's hand and assure him of appreciation of his words.

Dinner was then announced

and the crowds passed out of the church to the oak groves nearby where the members of the Steep Hollow church and delegates from various churches over the county had spread a delicious repast which was much enjoyed.

Auxiliary Meeting.

At 1:30 in the afternoon the meeting of the Brazos county Woman's Auxiliary, which was held in connection with the meeting of the Association, was called to order by the president, Mrs. R. W. Persons. With Mrs. R. B. Grant as secretary the work was dispatched, reports of all committees for the year read and discussed, and officers elected as follows: Mrs. R. W. Persons, re-elected president; Mrs. Lock McNeely, Bryan, chairman of missions; Mrs. A. S. McSwain, chairman of education; Mrs. J. L. Reese, chairman of benevolence; Mrs. Minnie Estill, Personal Service chairman; Mrs. Coulter Smith, corresponding secretary-treasurer; Mrs. Will Henderson, Kurten, recording secretary; Mrs. S. M. Hunter, chairman of young people's work. Reports from five auxiliaries of Brazos county were then given as follows: Bryan First church, report for the year, read by Mrs. J. L. Reese; Kurten auxiliary report, by Mrs. Will Henderson; Wellborn auxiliary report, by Mrs. J. T. Harold; College auxiliary report, by Mrs. J. H. McDonald; Bryan Mexican Mission church report, by Miss Ibarra. The reports from the chairman of standing committees showed a great work accomplished during the year just closed. Plans are already being made for even a greater work among the Baptist women of Brazos county than ever undertaken in the past.

Pipkin's Work Commended.

At the close of the women's meeting Moderator W. H. Buchanan took the chair and called for reports from delegates present and the reading of all church letters. The roll call showed the following churches of Brazos county represented at the Association meeting by delegates, and the letters read, giving facts and figures on the year's work, showed a splendid year for every church in the county: Bryan, College, Bethel, Cottonwood, Edge, Rock Prairie, Reliance, Steep Hollow, Tyron church at Kurten, Wellborn, Bryan Mexican Mission, Providence church. The faithful work of the Brazos county missionary, Rev. J. J. Pipkin, was plainly in evidence in the reports given, and showed that through the year, he and his faithful co-workers in the various communities, had been "about the work of the Master." The spirit of the meeting was marked by sweet Christian fellowship and love, and unity of purpose and plan for the on-going of the Kingdom work. The work of the association was continued through today, and will conclude tonight with a fine program, including the reports of the B. Y. P. U. and the Sunday schools of the county.

SCOUTS ON HIKE

Scoutmaster C. R. Gardner's troop of Boy Scouts went on a hike to the "Vick's" tank last Friday evening, where they played a few games, cooked and ate supper, and held an investigation into the "spirit" world. The next meeting will be held at the Chamber of Commerce next Friday evening at 7 o'clock.

FEDERATION OF CHURCH SOCIETIES MET ON MONDAY

The executive board of the Brazos Federation of Church Societies held their regular monthly meeting at Carnegie Library on Monday afternoon at 2:30 o'clock with the following present: Mrs. J. L. Brock, Mrs. M. Hettie Curry, Mrs. Guy P. Bittle, Mrs. J. N. Goodwin and Mrs. P. S. Park, with Mrs. M. R. Bentley presiding. Only routine business was discussed.

BRYAN BOY SCOUT TROOP NUMBER 13 BEEN ORGANIZED

Troop No. 13 of the Boy Scouts of Bryan has been reorganized because some of the members had left the troop. There are 13 now in the troop and all are true Scouts. The following is the re-organization personnel: Troop Leader, Frank Bain, Scribe, John Astin; Leader, Patrol, No. 1, Henry Godwin; Assistant Patrol Leader, Charles Moehlman; Leader of Patrol No. 2, Theodore Boriskie; Assistant Patrol Leader, Robert John Persons; Personnel, Patrol No. 1: Henry Godwin, Charles Moehlman, John Astin, Paul Patullo, Osborn Higgs, Jake Kaplan, Wilman Ross; Personnel Patrol No. 2: Theodore Boriskie, Robert John Persons, Willie Boriskie, Neil Godwin, Sam Kaplan, Abraham Kaplan.

Scout Knife Prize.

A meeting was arranged for last Friday night at the Free Baptist church and a second meeting was held Sunday afternoon at 2 o'clock. A few of the Scout knots were tied by the boys present. W. S. Barron, Scoutmaster, has offered a Scout knife to the Scout who hands in the best sentence containing words beginning with the first letters in the 12 Scout laws. He will present the knife at the next Friday night meeting. Jake Kaplan told the history of the American flag and Sam, his brother, outlined the respect due it. A journey was preceded by the reciting of the Scout oath in unison.

CHAMBER COMMERCE BUYS SIX ADDITIONAL DITCHERS FOR BRAZOS

Secretary S. E. Eberstadt reported this morning at the regular Tuesday morning meeting of the Board of Directors of the Bryan and Brazos County Chamber of Commerce, that he had, through the advertising and soliciting committee, refused, because of worthy merit, endorsements to nine advertising schemes and 11 solicitors, as well as three beggars. To show how well this committee is functioning, Secretary Eberstadt read a letter to Chief of Police W. S. Martin from the headquarters of the Volunteers of America stating they had no solicitors or field representatives in this territory getting funds for hospitals, orphan homes, etc., and warning against such alleged solicitors. The local secretary has had many who claimed to represent this organization but none of them ever got an endorsement to solicit in Bryan.

The secretary also reported that Traffic Manager J. H. Evetts of the Southern Pacific was in the office yesterday and stated that on the first of November a diner and an observation car would be placed on the northbound train at Hearne and that the 20 minutes delay there for lunch would be eliminated.

J. D. Martin, chairman of the agricultural committee, stated that his committee had met jointly with the finance committee and it had been agreed that six additional Martin ditchers would be purchased for use in terracing work in Brazos county and that these ditchers would be turned over to County Agent C. L. Beason who would handle them. This is a Brazos county nine ditchers.

E. H. Astin was present as a visitor and called attention of the members of the board to the importance of the meeting of the city commission on the 14th of November for a hearing on the proposed amendment to the charter of the City of Bryan. This matter was discussed generally. Mayor Tyler Haswell on behalf of the City Commission, stated that he would be glad to have a large representation of business men at the meeting.

On motion of Major L. L. McInnis it was decided that since next Tuesday is a national holiday, Armistice day, and a big day in Bryan, that the Board of Directors would cancel the meeting for next Tuesday. Those present at today's meeting were: Colonel Ashburn, Wilson Bradley, W. H. Cole, J. E. Covey, E. H. Edge, J. F. Fountain, Mayor Tyler Haswell, President J. N. Lawrence, J. O. Morgan, Oak McKenzie, L. L. McInnis, Mrs. Lee J. Rountree, E. M. Waldrop and M. E. Wallace, with Secretary Eberstadt at his desk and E. H. Astin as a visitor.

BRYAN CELEBRATION ARMISTICE DAY BEING WIDELY ADVERTISED

Three cars will leave Bryan on Wednesday morning, each going in a different direction and carrying literature pertaining to the big K. of P. Armistice Day celebration in Bryan. These program and this literature will be left all along every rural route, in every home of the city, town or village, and in every place of business over a scope of territory from 30 to 50 miles in radius from Bryan.

R. M. Dansby will leave on the north route, going to Benchley, Hearne, Franklin and Madisonville, covering all intervening territory. He will return to Bryan from Normangee. George Hadley and R. C. Franks will go to Navasota, Anderson, Iola and Bedias, thence back to Bryan. C. M. Cummings will cover the territory southwest of Bryan, going first to Caldwell through the Brazos bottom, then on to Hempstead, thoroughly padding the intervening country with advertising on the big celebration which is heralded as the greatest that Bryan will have ever seen.

666 is a prescription for Colds, Grippe, Dengue, Headaches, Constipation, Biliousness. It is the most speedy remedy we know.

KURTEN BOX SUPPER NETTED SCHOOL NEARLY ONE HUNDRED

A card received by the Eagle office from Principal J. F. Hurff of the Kurten school states that the box supper-carnival on last Saturday night netted the school fund a total of \$97.44. This was considerably more than had been expected.

WOMAN'S AUXILIARY FIRST BAPTIST CHURCH MEETING ON MONDAY

The monthly business and missionary session of the Woman's Auxiliary of the First Baptist church was held Monday afternoon at the church with a splendid attendance. Mrs. Webb Howell, general president, presided and the general secretary, Mrs. P. G. Gunter read the minutes of the previous meeting which were adopted. Monthly reports from the various circles of the auxiliary showed increased interest in the work, and at the beginning of this new year the women are putting forth renewed efforts to build up the woman's work of the church to even a higher standard of excellence than it has yet attained.

Orphan home report: Mrs. J. W. Dyer, chairman for the Buckner Orphan Home committee, made report for the past quarter, stating that the regular contribution of cash and clothing from the auxiliary for the months of August, September and October was sent from Bryan on October 26. A box of nice, new clothing valued at \$111.10 was shipped, and together with the donation of cash from the women of the church, amounting to \$153.05, the quarterly offering totaled \$264.65. Mrs. Dyer reminded the women of the barrel of home-made cookies, always sent to the orphan children on Thanksgiving, and urged that the cakes be sent to the church for shipment on Tuesday afternoon, November 25.

Educational: Mrs. G. M. Brandon, chairman of educational work, brought a message in regard to the endowment work for Baylor College, and urged that the Bryan church women take one of the \$1,000 bonds for the benefit of the Baylor College endowment. Mrs. Brandon's motion was duly seconded, and the auxiliary voted unanimously to take this bond, dating same from November 1, 1924.

The personal service report was given by Mrs. W. C. Fountain and showed good results for the month. Circle No. 6, with Mrs. Egbert Jones as leader, brought a splendid missionary program, the subject being "China." Its Women and its Homes. After a few introductory remarks by Mrs. Jones, the following program was given: Devotional led by Mrs. Jno. A. Moore; prayer for the women and homes in China, Mrs. Albert Buchanan; talk, "Home Life in China," Mrs. J. W. Dyer; talk, "The New Woman in China," Mrs. Hardy Newton; "The Chinese Wedding," talk by Mrs. F. A. Bunting; poem, "To Mother, the Women and the Home," Mrs. P. S. Park. The meeting was adjourned, after a closing prayer by the pastor, Dr. John A. Held.

MRS. H. N. COCHRAN IS ELECTED PRESIDENT MISSIONARY SOCIETY

The Woman's Missionary Society of the First Methodist church is observing the Week of Prayer at the church each afternoon at 3 o'clock, beginning on Monday and continuing through Thursday. Some forty members were present Monday afternoon with every officer in her place, a splendid record. The program Monday afternoon was as follows: Leader, Mrs. W. B. Cline; subject, "Prayer." Bible lesson, Mrs. C. R. Gardner; Mrs. B. T. Poole, solo; Mrs. E. C. Harder. Vocal solo, Mrs. John W. Black. Needs of Orient—Latin American fields, also on home fields, and the new Scarritt College for Christian workers, Mrs. S. E. Eberstadt. Solo, Miss Miriam Crute. Prayer. TEXAS' ADVANTAGES FOR HORTICULTURE EXPLAINED IN TALK

Following the luncheon repast, the entertainment features and business matters, which latter included a decision not to meet next week as the meeting falls on Armistice Day, Superintendent Madison Hall was introduced as the first speaker and expressed his appreciation for all the aid that the Lions Club had rendered the schools of Bryan, with particular reference to the high school library, for which the Club put on a financial drive last spring. He also stressed the need of a greater subscription list to the high school paper in order to make it successful.

The meeting was then turned over to J. W. Hall, in charge of the program, was asked S. C. Hoyle to introduce A. P. Swallow of the A. and M. College, as speaker of the meeting. Mr. Swallow gave a most interesting talk on the subject with which he is most familiar, "Horticulture," which is herewith briefed.

Don't Know Texas.

"I have found in my travel over the country that a good many of us don't realize what we have right in our own state." Mr. Swallow then gave some comparison of other states with Texas. He said that our state had a larger fertile area for the growing of citrus fruits than any other state, even including Florida and California. He said that Henna was a new industry or crop being introduced in Texas in the vicinity of Corpus Christi and Brownsville. He said that Dwarf Cavendish bananas were being grown in Texas with great success and are a very good fruit. He said that there were in Texas 12,000,000 native pecan trees of a variety and vitality that would make them suitable for grafting paragon pecans on them. He added that the melon industry in Texas was a wonderful one, mentioning the famous Tom Watson melons of the Valley and also the new product of near Fort Worth, the "Honey Ball" melon. The peach crop in Texas, he said, had dwindled in the last five years and we no longer were second in the country with Georgia, the only state out-ranking us, but that a revival of interest was being started with this fruit.

Mr. Swallow closed with an appeal for service clubs to take up the work of beautifying their home town and the different homes in them. He mentioned how this had been accomplished in different places, where poinsettias and shrubs had been set out and the whole appearance of the city wonderfully improved in just this one way.

Those present today were: E. J. Hunt, Willard Chambers, J. Bryan Miller, Theo. H. Thomson, J. Coulter Smith, J. E. Hensarling, R. M. Viek, S. C. Hoyle, A. P. Swallow, J. W. Hall, C. A. Seary, president; Tom G. Suber, Miss Ruth Knox, pianist; C. R. Gardner, M. M. Erskine, L. L. Stephens, W. N. Sholl, Lamar Jones, W. E. Neeley, Richard Ratcliffe, T. A. Munson, E. M. Cox, E. V. Spence, Supt. Madison Hall, and H. D. Cuykendall of the Bryan Eagle.

BRYAN GIRL WINS DISTINCT HONOR AT BAYLOR COLLEGE

The Business Men's Bible Class of the First Baptist church of Temple will celebrate the anniversary of their organization with an elaborate program at the Temple church, on Sunday, November 2nd. The program committee for the occasion applied to the director of the Baylor College Choral Club, at Belton, for a quartette of young ladies to give two numbers on that day. Miss Merle Minkert of Bryan, daughter of Judge and Mrs. J. G. Minkert, who is a student at Baylor College and a member of the choral club, was selected by Mrs. Pierce, director of the club as one of the young ladies who will sing at Temple on that occasion. This is a distinct compliment to Miss Minkert, and her many friends in Bryan will be proud to note the honor conferred upon her.

DEER HUNTING NOW ON

Bryan and Brazos county hunters are already planning for a delightful time during the deer season which opened this morning, November 1st, to last for two months. Several Bryan parties will go to Southwest Texas during the open deer season, where the deer are said to be numerous. The law declares a limit of three bucks for the entire season, and does must not be shot at all. No sport has even been enjoyed to equal that of the deer hunt, according to the old-time hunters who have gone every year to the "big thickets" and other famous hunting grounds.

TWO CARS BADLY WRECKED IN COLLISION ON COLLEGE AVENUE ON MONDAY NIGHT

A "Mercer," said to have been driven by Clarence Hamilton, and a Ford belonging to O. J. May of the McCollum Cotton Exchange, had a few words last night on College Avenue between 11:30 and 12 with sad results to both. The Ford is now a "complete" wreck and the Mercer was so surprised or agitated that it turned over on its side and lay down. Both cars were somewhat badly damaged, and the Mercer was towed from the scene to the "car hospital" to have its injuries looked after.

CIRCUS COMING TO TOWN—HAGENBECK WALLACE NOVEMBER 7

Small boys and girls and even the adults in Bryan are happy today. Everywhere the bright and gay lithographs and posters, telling of the wonders of the Carl Hagenbeck-Wallace Circus meet the eye. This city as well as surrounding countryside for fifty miles have been covered with bills announcing the coming of the world's greatest wild animal show on November 7, for afternoon and night performances with a mile-long street parade at 11 a. m.

In the old days the circus bills were made to catch the eye, and frequently the show was not what they advertised. But all that is changed now and no longer do the big circuses advertise something that they do not carry. "Truth" in advertising is one of the slogans of the Hagenbeck organizations.

Just As Advertised.

When the Hagenbeck-Wallace circus comes here the circus patrons will find under the "big top" everything that has been advertised and when the bills read the "world's greatest wild animal show," that is just the real facts. The Hagenbeck reputation of both sides of the Atlantic for trained animals is established, and this year more wild animal acts are carried than in past seasons.

A total of 200 performers, 150 wild animal actors; 100 domestic animals, and 50 clowns, not counting the thoroughbred horses take part in the performance, which is offered in three rings, a steel arena and on the Roman hippodrome track.

TROOP NO. 5 BOY SCOUTS OF BRYAN ON 'POSSUM HUNT

Boy Scouts of American, Troop No. 5 of Bryan, L. E. Warren, Scoutmaster, enjoyed a "possum hunt" on Friday night in Stansley's pasture. After catching one "possum" the boys stopped and built a fire after which many games were enjoyed. The following boys enjoyed the evening: John Vitopil, Patrol Leader; William Vismirovsky, Patrol Leader; Tom Hanus, Willie Koh, Willie Rosprim, Frederick Wright, Scribe; Eddie Dink, Taffy Konecny, L. J. Ford, Frank McGee, Geo. Merka, Jerry endi, Maurice Rice.

LAST QUARTERLY CONFERENCE YEAR AT METHODIST CHURCH LAST NIGHT

Work of Rev. H. C. Willis, Retiring Pastor of Four Years; and that of Woman's Missionary Society Commended by Presiding Elder Hotchkiss—Oak McKenzie Elected Sunday School Supt.

Last night was an epochal one for the Methodist church of Bryan when a number of things of an important nature transpired at the fourth or last quarterly conference of the year. The work of the year was closed up in very fine shape, according to Presiding Elder D. H. Hotchkiss of Navasota, who commended the work of Rev. H. C. Willis, pastor at Bryan for the last four years; and who gave especial commendation to the work that has been accomplished by the Woman's Missionary Society, the money raised and expended for worth-while purposes. A new board of stewards was elected for the ensuing year and this board will meet at some later date and organize, electing its officers.

NEW SUPERINTENDENT

Oak McKenzie was elected as superintendent of the Methodist Sunday school, to take over his duties the latter part of November, when the conference year begins. He takes the place of the present superintendent, C. M. Bethany, who has held this position for the past 12 or 14 years, and given long, diligent and faithful service. It is believed that no better choice could have been made in choosing a successor to Mr. Bethany than by naming Mr. McKenzie for the place, according to those in touch with the church affairs and the Sunday school work.

Two other officers were named: E. J. Jenkins, present chairman of the Board of Stewards, and who has been made one of the new board elected, was also named as delegate from the Bryan church to the State conference at Mount Pleasant. C. E. Jenkins was elected as church clerk and also a district steward.

Pastor Will Be Named. There is a custom in the Methodist Episcopal church that pastors do not hold one place longer than four years. Rev. H. C. Willis has filled the full time here. The State conference will meet at Mount Pleasant, Texas, on November 19, continuing for five days. In addition to the attendance of E. J. Jenkins to this conference it is expected that the board of stewards will also name a committee to attend. At this conference a new pastor will be named for Bryan who should arrive here during the latter part of November or the first of December to take up his duties.

At the conference last night, Miss Elliott Beason, daughter of Mr. and Mrs. C. L. Beason of Bryan, was confirmed as president of the local organization of the Epworth League. She is also district secretary of the Epworth League, which is quite an honor to her and to the Bryan league because this district comprises eight counties and some of the larger churches.

Italians Are Organized. Following the conclusion of the quarterly meeting at the Methodist church, Rev. D. H. Hotchkiss, presiding elder, adjourned to the Italian Methodist church which was organized with Rev. Bruno Martinelli as pastor. Several of the Italian men of the community were made officers on the board of trustees and board of stewards of the new church.

ABOUT SEVENTY FIVE DOLLARS CLEARED AT BOX SUPPER AT KURTEN Election of officers was held at the opening hour of the box supper entertainment at the Kurten auditorium on Saturday night, the officers for the Kurten Community Club being selected for the new year. Then a short program was given, a "Nature Study" play, the "Coming of Winter," being presented by the primary department, and another play, "The Brownies," by the intermediate department and a fine reading by Miss Edith Conway. H. D. Cuykendall closed the program with the story of "Marjory Daw," by Thomas Bailey Aldrich.

Then came the time for auctioning off the boxes, and H. D. Cuykendall of the Bryan Eagle officiated as auctioneer, getting a total of \$32.30 for some 30-odd boxes. Three cakes were also auctioned off, two by Hamp Buchanan who assisted Mr. Cuykendall. They brought nearly \$10 in all. A box of candy auctioned off by votes for the most popular girl brought \$12 or \$14. In addition to funds thus derived there were stands operated, one for the sale of soda water, another for cakes and pies, and a third for cocoa and cake, while a gypsy fortune teller had crowds about her booth throughout the evening. Miss Laura Belle Roten, reading the past, present and future, there were two fishing ponds which did not get the patronage accorded the other stands, but an evening of real pleasure was enjoyed by several hundred people, both young and old.

Among the Bryan people who attended were: Mr. and Mrs. H. D. Cuykendall, Miss Laura Belle Roten, Miss Laura Belle Gilpin, and "Dad" Lee of the Eagle office.

WATTHUBER NUMBER 1 IS GASSING HEAVILY—BE HEARD 200 FEET

Bryan Petroleum Company's Watthuber No. 1, between College Station and Wellborn, is gassing heavily this afternoon, said O. E. Saunders. The gassing can be heard for 200-feet he said. He asked that publicity be given to the fact that the well would be permitted to remain in this condition until 10:00 on Sunday morning to permit visitors to come to the well and see and hear for themselves. He said that a blow-out of the gas was not expected at this time. Further details in regard to the well may be available by Monday when there may have been later developments.

COUNTY AGENT BEASON NAMED INSPECTOR ON BRAZOS SHIPMENTS

The quarantine regulations by the Eastern States against importation of Texas' turkeys originating outside the zone infected with the foot and mouth disease has been modified so as to allow shipment when properly certified to by the Live Stock Sanitary Commission of Texas.

In order to give relief to shippers in all parts of the State, the Live Stock Sanitary Commission has entered into an agreement with the Extension Service of the A. and M. College of Texas whereby the county agents working for the College will be commissioned as inspectors of the Live Stock Sanitary Commission, and in such capacity they are authorized to issue certificates on dressed poultry, fruits, vegetables, trees and shrubs when shipment is accompanied by affidavit that all dressed poultry, etc., is packed in new containers; all the paper or wrapping used in packing said poultry is new, clean paper, and all burlap and cloth used on such containers is new, clean burlap, and new, clean cloth.

J. E. Boog-Scott, chairman of the State Live Stock Sanitary Commission, has issued commission to County Agent C. L. Beason, who will assist the shippers in Bryan by issuing certificates when shipments are properly prepared, and accompanied by affidavit. County Agent Beason asks the co-operation of all the people in this matter to the end that no complaint may ever be made against shipments originating in Brazos county.

METHODIST WOMAN'S MISSIONARY SOCIETY IN WEEK OF PRAYER

The Woman's Missionary Society of the Methodist church will hold its annual week of prayer beginning on Monday, November 3, at 3 o'clock. Group No. 3 will have charge of the program on Monday afternoon, Group No. 2 on Tuesday, Group No. 5 on Wednesday, and Groups No. 1 and 4 on Thursday. There will be prayer and offerings for the West Virginia coal fields and for the Colegio Progresso, Parral, Mexico.

The program for Tuesday is as follows: Mrs. J. N. Goodwin, leader. Subject: West Virginia Coal Fields. Bible lesson, Mrs. J. N. Goodwin. Ten-minute talk on West Virginia coal fields, Mrs. T. A. Adams. Period of intercession: for the miners who work in the fields; for the lonely mother who lives closed in by mountain walls; for the children in these homes; for our missionaries at work there. A story of the coal fields, by Mrs. J. B. Priddy.

NAVASOTA STREET PARTY WAS SUCCESS

The Navasota Kiwanis Club staged a Halloween festival party last night on the streets of Navasota, and it was witnessed and participated in by some three or four thousand people. More than five hundred were in costume, masked and entered the parade. The band furnished good music; there were all kinds of concessions and plenty of pep, fun and frolic for all. Later in the evening a street dance was enjoyed. Navasota is to be congratulated on the success of the occasion. Such affairs only adds to the creation of a strong tie of friendship and fellowship among the citizens.

PARTY FROM BRAZOS COUNTY TO KERRVILLE TO ENJOY DEER HUNT

The deer season in Texas opened today with the duck and dove season already on. Deer may be shot for two months but the restrictions are that does may not be shot at all and only three bucks in the season. Hunters who are good sportsmen will obey the law which is for their own ultimate benefit.

A party from Brazos county, wishing to take advantage of the deer-hunt privilege during the opening of the season while they are plentiful and not too wild, left Bryan for Kerrville, in Kerr county. They are: Ollie Orr, J. A. Rycklik, Albert Rycklik and J. W. Leighman, all of Edge and Will Henry of Bryan. They shipped their hunting paraphernalia and camping outfit and will remain there for two weeks.

SAYS PILES HEAL UP AND DISAPPEAR FOREVER

Seldom Fails to Give Absolute Relief from All Pain and Suffering. Guaranteed by James Drug Co. And All Good Druggists.

Many sufferers from Piles or Hemorrhoids have become despondent because they have been led to believe that their case was hopeless and that there was nothing in the world to help them.

To these people we say, "Go to your druggist and get an original box of MOAVA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to source of the trouble and by their soothing, healing antiseptic action first allay the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear forever.

It's simply wonderful how speedily they act. Blessed relief often comes in two days. Even in cases that have steadily resisted all known treatments, marvelous results have been obtained. MOAVA is one of the wonderful discoveries of recent years, and any sufferer from Piles or Hemorrhoids who is disappointed with its use can have their money refunded. Dispensed by the M. H. James Drug Stores, mail orders accepted.—Advertisement.

NIGHT WATCHMAN GET BOOZE CAR PASSING THROUGH CITY BRYAN

Joe Mitchell and L. D. Young, negroes, both claiming Liberty, Texas, as their home and Anna Jones, negro, said to hail from Beaumont, are in the county jail today, being held in connection with a charge of transporting intoxicating liquor. Officer Offa Williams and K. T. Tillis, night watchman, are due full credit for the capture. About 11:30 last night they saw a Ford car, loaded as if with tourists, coming north on Main street toward the ice plant. It was running without lights and the officers stopped the car to tell the occupants to turn on the lights, according to Mr. Williams who gave the Eagle reporter all information on the capture, just a few minutes after it happened.

When the officers came close to the car their suspicions became aroused. It seems that a negro boy who lives near Benchley was robbed of \$5 on last Saturday night and the negro lad had described one of his assailants as a black negro with one gold tooth. A Mexican on the plantation of George Dunn near Wheelock was also robbed on Monday night by three negroes of \$45. The officers thought these negroes in the lightless car might be the ones wanted. The one on the rear seat had no gold tooth, but the one in the front did, and the officers decided to hold them.

Tried to Use A Gun. At about the same time the negroes decided to make an effort to escape, and started to drive on, one of them throwing a bottle of what is alleged to be—and certainly smelled like—whisky on the pavement, breaking it. Williams grabbed onto the car and so did Tillis. Each of the officers had to strike the negroes over the head with gun-butts in order to obtain control. The car was stopped and the negroes taken to the county jail. The car was later removed to the same location and the contents examined.

After going over the car it was found that they had lubricated oil in a big five-gallon can, prepared evidently for a long trip. There were five new casings, much clothing and a great deal of it new, largely underwear and shoes, which may or may not have been stolen. A Colt automatic was also found—one which the negroes had attempted to use on the officers without success, according to a statement by Mr. Williams. In the bottom of a suitcase, in a leather pouch, where the negroes had said it would be found, was a roll of bills which totaled \$500 in \$10 and \$20 bills.

The negroes claimed that they lived at Liberty, but that they were going through to Marlin for one's health. They also stated, later, that they owned a branch business at Marlin a barbecue stand, in addition to the business at Liberty. They said the liquid concoction that accompanied them in the car, three bottles of what may be near-beer or nearer beer, in addition to the bottle thrown out, was medicine. The negroes said that she had left her husband because he tried to shoot her and joined the party at Liberty, one of the men being a relation by marriage.

All three are being held, and the local officers, including County Attorney Oak McKenzie, are making an investigation, and are questioning the negroes in order to obtain as much information as possible.

Implicated in Robbery. Alec Johnson, the negro boy who was robbed on Saturday night on College avenue about 6 o'clock, after being decoyed into the car on a pretense of being given employment, identified the two negroes and the negroess today. All three are now being held. This information comes from the office of Mrs. L. E. Morehead, sheriff of Brazos county. The Mexican who was robbed, James Justland, came in to Bryan today with his landlord, George Dunn, from Wheelock, and identified the prisoners as the one who had robbed him on Monday night as he was returning home by wagon from Bryan where he had been to deliver a load of cotton. As the conclusive proof of the guilt of the negroes, the warehouse receipt for the cotton was found on the floor of their Ford car.

BRYAN HIGH HAS STILL CHANCE WIN DISTRICT

Bryan defeated Rockdale's strong team on the local gridiron on Friday afternoon, evening, and almost night—by the score of 40 to 0. Cameron defeated the same team by a score almost as large—yet Bryan lost to Cameron by two touchdowns, owing to the ability of the Cameron punter. Now Caldwell defeated Bryan on Friday afternoon, 13 to 0, which puts Cameron out of the running as Bryan's opponent. But, an eliminated team. Caldwell at Caldwell Bryan plays next week-end, and if Bryan, by any fluke or exhibition of football such as they showed yesterday, should win from Caldwell, it will mean that the local team will yet have to be considered when district champions are selected. Huntsville, it is understood, has yet to be heard from also. Lack of space in today's issue of the Eagle prevents a full account of Friday's game here which will be given in Monday's issue.

KINNARD HOME BURNED ON SUNDAY—LOSS OVER TEN THOUSAND DOLLARS

Property a Total Loss, Both Building and Contents—Inmates Escaped With Only Clothing They Wore—Mr. Kinnard Painfully Burned About Head and Shoulders.

A fire loss occurred near the city limits of Bryan on Sunday afternoon which will run to between \$10,000 and \$12,000, when the house occupied by the families of A. W. Kinnard and his son-in-law, P. A. Tardy, Secretary of the Eagle Printing Company, caught fire from some unknown cause and burned completely—a total loss of structure and contents. The inmates escaped from the burning building with only the clothing they wore. Mr. Kinnard was quite painfully burned about the head and shoulders when he re-entered the house to salvage a tin box of valuable papers—the only thing saved from the fire. The building burst into flames very suddenly and there was not time to salvage even personal effects, much less household goods. Included in the loss is Mr. Kinnard's personal and private library which was reckoned one of the best and most valuable of any private library in this section of Texas.

The fire had seemingly originated in the garret which was unused and never visited. How it started is beyond the comprehension of the inmates. The first notification they had of the blaze was when one of the Tardy children first noticed the flames coming out from beneath the eaves. Mr. Kinnard noticed the flames at the ceiling of the rear porch about the same time. Then the flames had begun to come through the ceilings so that the whole garret must have been burning for some time before the flames issued from the inside. There was no time for anything except to flee from the building before it fell in.

All Were at Home. Mr. and Mrs. Kinnard and Mrs. Tardy and the two boys were home at the time, Mr. Tardy having just come to town before it happened. The inmates could not even regain entrance to the house to use the telephone.

Mr. Kinnard had just traded the house, which is about a mile from Bryan on the Smetana Road and five acres of land for a farm in Red River county, near Bagwell, the insurance being released with it to the new owner. Insurance on the contents of the house were permitted to lapse at the same time because Mr. Kinnard intended to build a small cottage or bungalow near the site of the former home on the 45-acre which he retained when he traded the home and five acres. Mr. Tardy had about \$300 insurance on his furniture and personal effects.

Have Found a Cottage. The Kinnards and Tardys have have rented a small cottage belonging to Mrs. R. R. Knowles near the home of R. R. Ellis, on the West side and will make their home there for the present. They are having to re-fit their home from beginning to end. The loss is a heavy one to both the Kinnards and Tardys as they lost, in addition to personal effects, many articles worth far more than intrinsic value.

WITH HAGENBECK-WALLACE CIRCUS IN BRYAN FRIDAY, NOVEMBER 7

LAST QUARTERLY CONFERENCE YEAR AT METHODIST CHURCH LAST NIGHT

Work of Rev. H. C. Willis, Retiring Pastor of Four Years; and that of Woman's Missionary Society Commended by Presiding Elder Hotchkiss—Oak McKenzie Elected Sunday School Supt.

Last night was an epochal one for the Methodist church of Bryan when a number of things of an important nature transpired at the fourth or last quarterly conference of the year. The work of the year was closed up in very fine shape, according to Presiding Elder D. H. Hotchkiss of Navasota, who commended the work of Rev. H. C. Willis, pastor at Bryan for the last four years; and who gave especial commendation to the work that has been accomplished by the Woman's Missionary Society, the money raised and expended for worth-while purposes. A new board of stewards was elected for the ensuing year and this board will meet at some later date and organize, electing its officers.

NEW SUPERINTENDENT
Oak McKenzie was elected as superintendent of the Methodist Sunday school, to take over his duties the latter part of November, when the conference year begins. He takes the place of the present superintendent, C. M. Bethany, who has held this position for the past 12 or 14 years, and given long, diligent and faithful service. It is believed that no better choice could have been made in choosing a successor to Mr. Bethany than by naming Mr. McKenzie for the place, according to those in touch with the church affairs and the Sunday school work.

Two other officers were named: E. J. Jenkins, present chairman of the Board of Stewards, and who has been made one of the new board elected, was also named as delegate from the Bryan church to the State conference at Mount Pleasant. C. E. Jenkins was elected as church clerk and also a district steward.

Pastor Will Be Named.
There is a custom in the Methodist Episcopal church that pastors do not hold one place longer than four years. Rev. H. C. Willis has filled the full time here. The State conference will meet at Mount Pleasant, Texas, on November 19, continuing for five days. In addition to the attendance of E. J. Jenkins to this conference it is expected that the board of stewards will also name a committee to attend. At this conference a new pastor will be named for Bryan who should arrive here during the latter part of November or the first of December to take up his duties.

At the conference last night, Miss Elliott Beason, daughter of Mr. and Mrs. C. L. Beason of Bryan, was confirmed as president of the local organization of the Epworth League. She is also district secretary of the Epworth League, which is quite an honor to her and to the Bryan league because this district comprises eight counties and some of the larger churches.

Italians Are Organized.
Following the conclusion of the quarterly meeting at the Methodist church, Rev. D. H. Hotchkiss, presiding elder, adjourned to the Italian Methodist church which was organized by Rev. Bruno Martini as pastor. Several of the Italian men of the community were made officers on the board of trustees and board of stewards of the new church. During the past year the Methodist Italian church has constructed quite a nice new building which is wholly for this work and represents, in the parsonage, the location and the church building, an investment of about \$10,000. The work starts off with good promise, said Rev. Hotchkiss, and with the expectation of those interested in it, that a good strong church will develop here in time.

Board of Stewards.
The following is the personnel of the Methodist Board of Stewards elected last night: E. J. Jenkins, Wilson Bradley, C. E. Jenkins, Jno. M. Lawrence, Jr., C. R. Gardner, T. A. Adams, A. M. Waldrop, E. W. Crenshaw, W. H. Cole, C. M. Bethany, J. D. Martin, Dr. W. H. Lawrence, Oak McKenzie, Hiram Downard, Dr. Jno. W. Black, H. H. Young, H. H. Prager, W. K. Gibbs, J. S. Caldwell, R. M. Dansby, R. J. Cole, R. C. Franks.

BRYAN COLORED TEAM WON FROM CALVERT NEGRO TEAM BY SCORE TWENTY-NOTHING
The colored team of the local high school defeated Calvert colored high school football team on the local gridiron at West Side park by the score of 20 to 0. Calvert had a good team and well-coached, but lacked experience. The Bryan coach, Dr. Thompson, used practically all of his material to find the best players. The colored team of the local high school last year and new material is being sought for their places. Thompson is satisfied with the showing made in the first game.

WATTHUBER NUMBER 1 IS GASSING HEAVILY--BE HEARD 200 FEET

Bryan Petroleum Company's Watthuber No. 1, between College Station and Wellborn, is gassing heavily this afternoon, said O. E. Saunders. The boiling can be heard for 200-feet he said. He asked that publicity be given to the fact that the well would be permitted to remain in this condition until 10:00 on Sunday morning to permit visitors to come to the well and see and hear for themselves. He said that a blow-out of the gas was not expected at this time. Further details in regard to the well may be available by Monday when there may have been later developments.

COUNTY AGENT BEASON NAMED INSPECTOR ON BRAZOS SHIPMENTS

The quarantine regulations by the Eastern States against importation of Texas turkeys originating outside the zone infected with the foot and mouth disease has been modified so as to allow shipment when properly certified by the Live Stock Sanitary Commission of Texas.

In order to give relief to shippers in all parts of the State, the Live Stock Sanitary Commission has entered into an agreement with the Extension Service of the A. and M. College of Texas whereby the county agents working for the College will be commissioned as inspectors of the Live Stock Sanitary Commission, and in such capacity they are authorized to issue certificates on dressed poultry, fruits, vegetables, trees and shrubs when shipment is accompanied by affidavit that all dressed poultry, etc., is packed in new containers; all the paper or wrapping used in packing said poultry is new, clean paper, and all burlap and cloth used on such containers is new, clean burlap, and new, clean cloth.

J. E. Boog-Scott, chairman of the State Live Stock Sanitary Commission, has issued commission to County Agent C. L. Beason, who will assist the shippers in Bryan by issuing certificates when shipments are properly prepared, and accompanied by affidavit. County Agent Beason asks the co-operation of all the people in this matter to the end that no complaint may ever be made against shipments originating in Brazos county.

METHODIST WOMAN'S MISSIONARY SOCIETY IN WEEK OF PRAYER

The Woman's Missionary Society of the Methodist church will hold its annual week of prayer beginning on Monday, November 3, at 3 o'clock. Group No. 3 will have charge of the program on Monday afternoon, Group No. 2 on Tuesday, Group No. 5 on Wednesday, and Groups No. 1 and 4 on Thursday. There will be prayer and offerings for the West Virginia coal fields and for the Colegio Progreso, Parral, Mexico.

The program for Tuesday is as follows: Mrs. J. N. Goodwin, leader. Subject: West Virginia Coal Fields. Bible lesson, Mrs. J. N. Goodwin. Ten-minute talk on West Virginia coal fields, Mrs. T. A. Adams. Period of intercession; for the miners who work in the fields; for the lonely mother who lives closed in by mountain walls; for the children in these homes; for our missionaries at work there. A story of the coal fields, by Mrs. J. B. Priddy.

NAVASOTA STREET PARTY WAS SUCCESS

The Navasota Kiwanis Club staged a Halloween festival party last night on the streets of Navasota, and it was witnessed and participated in by some three or four thousand people. More than four hundred were in costume, masked and entered the parade. The band furnished good music; there were all kinds of concessions and plenty of pep, fun and frolic for all. Later in the evening a street dance was enjoyed. Navasota is to be congratulated on the success of the occasion. Such affairs only tie to the creation of a strong tie of friendship and fellowship among the citizens.

PARTY FROM BRAZOS COUNTY TO KERRVILLE TO ENJOY DEER HUNT

The deer season in Texas opened today with the duck and dove season already on. Deer may be shot for two months but the restrictions are that does may not be shot at all and only three bucks in the season. Hunters who are good sportsmen will obey the law which is for their own ultimate benefit.

A party from Brazos county, wishing to take advantage of the deer-hunt privilege during the opening of the season while they are plentiful and not too wild, left Bryan for Kerrville, in Kerr county. They are: Ollie Orr, J. A. Rycklik, Albert Rycklik and J. W. Leighman, all of Edge and Will Henry of Bryan. They shipped their hunting paraphernalia and camping outfit and will remain there for two weeks.

SAYS PILES HEAL UP AND DISAPPEAR FOREVER

Seldom Fails to Give Absolute Relief from All Pain and Suffering. Guaranteed by James Drug Co. and All Good Druggists.

Many sufferers from Piles or Hemorrhoids have become despondent because they have been led to believe that their case was hopeless and that there was nothing in the world to help them.

To these people we say, "Go to your druggist and get an original box of MOAYA SUPPOSITORIES." One of these inserted into the rectum according to directions will be found to give immediate relief. They reach the source of the trouble and by their soothing, healing antiseptic action first they soothe the pain and soreness and then by direct contact with the ulcers and piles cause them to heal up and disappear forever.

It's simply wonderful how speedily they act. Blessed relief often comes in two days. Even in cases that have steadily resisted all known treatments, marvelous results have been obtained. MOAYA is one of the wonderful discoveries of recent years and any sufferer from Piles or Hemorrhoids who is disappointed with its use can have their money refunded. Dispensed by the M. H. James Drug Stores, mail orders accepted.—Advertisement.

NIGHT WATCHMAN GET BOOZE CAR PASSING THROUGH CITY BRYAN

Joe Mitchell and L. D. Young, negroes, both claiming Liberty, Texas, as their home and Anna Jones, negro, said to hail from Beaumont, are in the county jail today, being held in connection with a charge of transporting intoxicating liquor. Officer Offa Williams and K. T. Tillis, night watchman, are due full credit for the capture. About 11:30 last night they saw a Ford car, loaded as if with tourists, coming north on Main street toward the ice plant. It was running without lights and the officers stopped the car to tell the occupants to turn on the lights, according to Mr. Williams who gave the Eagle reporter all information on the capture, just a few minutes after it happened.

When the officers came close to the car their suspicions became aroused. It seems that a negro boy who lives near Benchley was robbed of \$5 on last Saturday night and the negro had described one of his assailants as a black negro with one gold tooth. A Mexican on the plantation of George Dunn near Wheelock was also robbed on Monday night by three negroes of \$45. The officers thought these negroes in the lightless car might be the ones wanted. The one on the rear seat had no gold tooth, but the one in the front did, and the officers decided to hold them.

Tried to Use A Gun.
At about the same time the negroes decided to make an effort to escape, and started to drive on, one of them throwing a bottle of what is alleged to be—and certainly smelled like—whisky on the pavement, breaking it. Williams grabbed onto the car and so did Tillis. Each of the officers had to strike the negroes over the head with gun-butt in order to obtain control. The car was stopped and the negroes taken to the county jail. The car was later removed to the same location and the contents examined.

After going over the car it was found that they had lubricated oil in a big five-gallon can, prepared evidently for a long trip. There were five new casings, much clothing and a great deal of it new, largely underwear and shoes, which may or may not have been stolen. A Colt automatic was also found—one which the negroes had attempted to use on the officers without success, according to a statement by Mr. Williams. In the bottom of a suitcase, in a leather pouch, where the negroes had said it would be found, was a roll of bills which totalled \$500 in \$10 and \$20 bills.

The negroes claimed that they lived at Liberty, but that they were going through to Marlin for one's health. They also stated, later, that they owned a branch business at Marlin a barbecue stand, in addition to the business at Liberty. They said the liquid concoction that accompanied them in the car, three bottles of what may be near-beer or nearer beer, in addition to the bottle thrown out, was medicine. The negroes said that she had left her husband because he tried to shoot her and joined the party at Liberty, one of the men being a relation by marriage.

All three are being held, and the local officers, including County Attorney Oak McKenzie, are making an investigation, and are questioning the negroes in order to obtain as much information as possible.

Implicated in Robbery.
Alec Johnson, the negro boy who was robbed on Saturday night on College avenue about 6 o'clock, after being decoyed into the car on a pretense of being given employment, identified the two negroes and the negroess today. All three are now being held. This information comes from the office of Mrs. L. E. Morehead, sheriff of Brazos county. The Mexican who was robbed, James Justit, came in to Bryan today with his landlady, George Dunn, from Wheelock, and identified the prisoners as the one who had robbed him on Monday night as he was returning home by wagon from Bryan where he had been to deliver a load of cotton. As conclusive proof of the guilt of the negroes, the warehouse receipt for the cotton was found on the floor of their Ford car.

BRYAN HIGH HAS STILL CHANCE WIN DISTRICT

Bryan defeated Rockdale's strong team on the local gridiron on Friday afternoon, evening, and almost night—by the score of 40 to 0. Cameron defeated the same team by a score almost as large—yet Bryan lost to Cameron by two touchdowns, owing to the ability of the Cameron punter. Now Caldwell defeated Cameron on Friday afternoon, 13 to 0, which puts Cameron out of the running as Cameron defeated Bryan and eliminated our team. But, Bryan plays Caldwell at Caldwell next week-end, and if Bryan, by any fluke or exhibition of football such as they showed yesterday, should win from Caldwell, it will mean that the local team will yet have to be considered when district champions are selected. Huntsville, it is understood, has yet to be heard from also.

Lack of space in today's issue of the Eagle prevents a full account of Friday's game here which will be given in Monday's issue.

DELPHIAN CHAPTER HOLDS MEETING ON FRIDAY AFTERNOON

The regular session of the Carnegie Library club rooms at 3 o'clock, Friday, October 31st. The members were most enthusiastic in their response to questions asked by Mrs. G. L. Crawford as leader of the lesson on "Greek and Roman Comedy." Reports from the text included the plots of the three most noted Greek comedies and were given by Mrs. David Reid, Mrs. G. L. Crawford and Mrs. George Eisert. A reading from "The Birds" was dramatically given by Mrs. W. S. Howell and Miss Annie Dearing. The Delphians felt it a special privilege to have had the pleasure of enjoying real drama at home, and showed their appreciation by attending in a body the performance of Ibsen's "Ghosts," given at College by the Devereux Players. Though not a part of the day's program several members gave their impression of the play and the lessons to be derived from it. Mrs. W. H. Darrow in her critic's report especially stressed the value of cultivating the spoken voice and offered suggestions as the best means of doing so.

In the conversational group discussion of the lesson, a clever comparison was made of a present day newspaper and the old Greek comedy, in that it was the expression of public opinion. The Delphians, by studying the classical drama, are acquiring a standard by which to judge new plays, and with current events and reviews of New York plays are correlating the old with the new. As the Greeks and Romans developed their best drama and comedies at games and the circus, the Chapter felt they might get inspiration from real life by attending the coming attractions. So, it was voted to hold the next meeting on Friday, November 7, at ten o'clock in the morning instead of the usual hour of three o'clock.

Two automobiles filled with lovely things for the pantry were taken to the home as tangible evidence and expression of their love and sympathy in their loss.

STEELE'S STORE DEDICATED THEIR NEW SCHOOL WITH BIG BOX SUPPER

An immense audience for one little community to gather together for an evening of fun and frolic met at the new consolidated school building at Steele's Store on Tuesday night, night of election day, and for a box supper and dance in the new auditorium. This community has erected a fine new building with four large rooms on the lower floor for use as school rooms and in the upstairs, much like the building at Harvey, a fine auditorium that covers the space of the four rooms below.

The Italian residents of this community are always out for any kind of a community gathering of this nature in great force and ready to participate in making the meeting a success. On this occasion they were interested in raising funds for the school and they were certainly liberal in their purchases of boxes and in buying votes for the most popular girl. There were not many boxes brought for sale, but those offered were well gotten up, some in unique style, and all quite beautiful.

Over \$200 Raised.
Secretary S. E. Eberstadt of the Bryan Chamber of Commerce auctioned off the boxes and fully lived up to his title of the "human separator" as he gleaned a total of \$55.25 off the few boxes sold, no box going for less than \$1 and most of them around \$2 or \$3 or more. At the close of the box auction, he put up for the most popular girl a 5-pound box of candy, candidate to be placed in nomination free together with a free starting vote of 500. Additional votes could be bought for the candidate at the rate of five cents each. When the voting had run the full fifteen minutes which had been allotted for this feature of the evening by Secretary Eberstadt, it was found that Miss Lena Degelia had won with 1896 votes; Miss Dora May

Symms second with 1585 votes and Miss Jenie Viviano third with 1,224 votes. The total amount of money raised on this box of candy was \$147.15. Thus the total amount raised during the evening, not counting the proceeds from the stand selling peanuts and soda water, was \$202.40. Miss Lena Degelia, the most popular girl in the Steele's Store community, is the daughter of Mr. and Mrs. C. M. Degelia, Mr. Degelia being county commissioner from that district. County Agent C. L. Beason acted as recorder of votes and Judge W. C. Davis as time-keeper.

Davis Made Fine Address.
During the course of the evening election reports on the national election, being broadcast from Hastings, Nebraska, and Pittsburg, Pennsylvania, were read to the large audience upstairs.

The speaker of the evening, Judge W. C. Davis, was introduced by Dominick Angona, in a few brief but glowing words. Judge Davis, with his usual easy flow of eloquence, yet in simple language, congratulated the community on its fine new building and stressed the importance of education and said that it was a most hopeful sign when men would build commodious school buildings and properly equip them for the education of the youth. Ignorance is a breeder of crime, said Mr. Davis.

The building of school houses affords a community center, giving the children and their parents opportunities for advantages of social order that is the surest way to prevent the rural population from coming to the city. Mr. Davis urged his hearers to teach history of their country in the schools to boys and girls that they might grow up to be patriotic, liberty-loving, law-abiding, home-making and God-fearing citizens.

ple. A good plan might be for the farmers of one community to select some farm, or field, and all agree to assist in the demonstration necessary to terrace the entire farm or field, instead of putting on a demonstration in which only a few terraces are built, as is often the case, sometimes leaving the farmer to complete the work in an unsatisfactory way. Farmer friends, what do you think about it? Let's plan the work so as to get the most out of it.

RELIANCE RECORD

(Special to Bryan Daily Eagle)

RELIANCE, Nov. 6.—The girls' club held their regular meeting Tuesday afternoon. The meeting was called to order. The roll was called which showed all members present. Those who have moved out of the community and some who have dropped out of the club were not included among those present. Next was the business session which was taken up by Miss Laura Belle Roten on having a rally day. We all thought it a splendid idea and will have it on Tuesday, November 18th. New officers will be elected, and we really will re-organize on that day. After business we turned the meeting over to Miss Roten. We all learned a good lesson on her lectures of help. Miss Inez Moore, principal of our school, spent the week-end with home folks at Tabor.

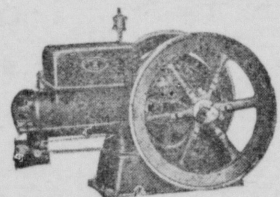

J. E. Mathis of this community is spending a few days in Marlin. W. C. Horton of this community got his arm broken Sunday night while trying to catch another boy's horse which had gotten loose and started home. Everyone wishes him a soon recovery.

The Steep Hollow junior boys and senior girls came to Reliance Friday afternoon to match a basketball game. The girls of our community were not expecting a game, and didn't have a team, but managed to make up one with one outside girl and one of the teachers. The boys of our community were defeated 3 points, the score being 11 to 8 in favor of Steep Hollow. Our girls defeated Steep Hollow 8 to 0. We all enjoyed the game very much. Miss Mattie Moore, a teacher of Steep Hollow and Mr. Burnett, also a teacher of Steep Hollow, acted as referees for the game.

THAT AGGIE SPIRIT AGAIN

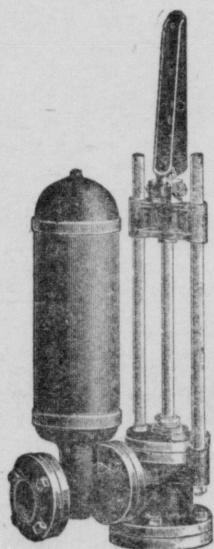

The Daily Texan, the University's splendid little daily newspaper, pays a high tribute to the A. and M. spirit in a recent issue in which the S. M. U. victory over Texas University is discussed. The editorial, in part, follows: "Reverses and not successes make for human character, and this defeat should develop the spirit of the student body of the University of Texas. We can say what we want to about A. and M., but we must admit that the Aggie student body has the best spirit of any student body in the conference. Judging from the rooting at College Station last Thanksgiving, you could not tell whether the Aggies had won or lost. The students supported the team just as well in defeat as in victory. Let's show the world that we are made of the right kind of stuff. Let's turn this defeat into victory—a victory greater than can be achieved on the athletic field. During the remaining rallies and games this year let's turn out in unprecedented numbers and prove we have the same fighting qualities of our football players. Let's show them we are as sincere in our support as are A. and M. students. Anybody can support a team when it's winning—it takes a real man or woman to support it when it's losing. If we can develop this kind of a spirit among us, the 10 to 6 defeat will be turned into one of the most profitable victories the University of Texas ever won."—The Texas Aggie.

STEELE'S STORE DEDICATED THEIR NEW SCHOOL WITH BIG BOX SUPPER

An immense audience for one little community to gather together for an evening of fun and frolic met at the new consolidated school building at Steele's Store on Tuesday night, night of election day, and for a box supper and dance in the new auditorium. This community has erected a fine new building with four large rooms on the lower floor for use as school rooms and in the upstairs, much like the building at Harvey, a fine auditorium that covers the space of the four rooms below.

The Italian residents of this community are always out for any kind of a community gathering of this nature in great force and ready to participate in making the meeting a success. On this occasion they were interested in raising funds for the school and they were certainly liberal in their purchases of boxes and in buying votes for the most popular girl. There were not many boxes brought for sale, but those offered were well gotten up, some in unique style, and all quite beautiful.

Over \$200 Raised.

Secretary S. E. Eberstadt of the Bryan Chamber of Commerce auctioned off the boxes and fully lived up to his title of the "human separator" as he gleaned a total of \$55.25 off the few boxes sold, no box going for less than \$1 and most of them around \$2 or \$3 or more. At the close of the box auction, he put up for the most popular girl a 5-pound box of candy, candidate to be placed in nomination free together with a free starting vote of 500. Additional votes could be bought for the candidate at the rate of five cents each.

When the voting had run the full fifteen minutes which had been allotted for this feature of the evening by Secretary Eberstadt, it was found that Miss Lena Degelia had won with 1896 votes; Miss Dora May

Symms second with 1585 votes and Miss Jennie Viviano third with 1,224 votes. The total amount of money raised on this box of candy was \$147.15. Thus the total amount raised during the evening, not counting the proceeds from the stand selling peanuts and soda water, was \$202.40. Miss Lena Degelia, the most popular girl in the Steele's Store community, is the daughter of Mr. and Mrs. C. M. Degelia, Mr. Degelia being county commissioner from that district. County Agent C. L. Beason acted as recorder of votes and Judge W. C. Davis as time-keeper.

BRAZOS COUNTY BOYS AND GIRLS CLUB DEPARTMENT

Club Notes and Farm News by County Agent C. L. Beason

Let's Get In Winning Class.

Some club member from Brazos county may win a trip to Chicago, as did Jim Kurten last year. The award will be made on the best report on either production of corn, cotton, poultry or livestock. These reports, however, must be turned in at once, and the club member expecting to compete for this great trip should not wait till all members of his club make report. The secretaries of the several clubs should insist on each and every member making report on the work during the year, turn these reports in to the local secretary, who will make the proper report to the county agent in time for the State contest. Remember, the club that wins the State championship will not only get a Delco light plant but will also win at least \$200 of the Holland \$1,000 prize, thus making about \$800 for the winning club. Get busy and let's win in Brazos county.

He Waited Too Long.

Robert Davidson of Edge says, in speaking of terracing done on his farm, "I made one mistake; the work should have been done several years earlier."

Brazos 100 Per Cent Club Work.

Much interest is being taken in club work throughout the county. Recently the teachers held a meeting to discuss plans for making Brazos county a 100-per-cent club county. The Tabor Club, the first to ever win a state championship, is the first to re-organize for work next year. Following is a list of officers of the Tabor club as elected on Tuesday of this week: Oscar Wilson, president; Annie Locke, vice president; Della Fuller, secretary; Gladys Blanton, assistant secretary; Effie Rice, reporter; Jack Francis, yell leader; Miss Mary Locke, adult club leader; Mr. and Mrs. W. G. Colson, assistant adult club leaders. With this fine bunch of officers, backed up by these enthusiastic adult club leaders, the Tabor club may well be expected to show some fine work next year. First meeting and installation

of officers, second Friday night in November. Heap of fun at this meeting. Don't miss it.

Bottom Drainage Ditch.

Ettle Brothers, Jones and Cole, the Goodwin estate, and others are co-operating in opening up a large drainage ditch in the Brazos Bottom near the Jones bridge. This enterprise, when completed, will be worth thousands of dollars annually to the several farms concerned, and at the same time demonstrate to others the value of drainage. The Extension Service of the A. and M. College of Texas lent valuable assistance in this enterprise, and the farm owners seem duly appreciative.

Club Members In Parade.

All club members of the county have been asked to take part in the parade on Armistice Day, November 11, and it is hereby suggested that the teachers of the several schools advise us of the fact whether or not their schools will adjourn on that day and take part in this patriotic program.

Terracing Arrangements.

Announcement is made that the Bryan Chamber of Commerce will supply enough Martin ditchers to put one machine for demonstration purposes in practically every community in the county. These ditchers will be used under the supervision of the county agent, but will remain the property of the Chamber of Commerce, to which it will be expected "sports" will be made from time to time as to the use of the several machines. The ditchers are not to be given out to individuals who may use them at their leisure, but the plan is to make of them demonstration machines, to be kept in as constant use as it will be possible to keep them. Farmers should not expect to use these machines for the terracing of their entire farms, but on the other hand should be satisfied to help make the demonstration on at least a part of their farms and in this way carry the importance of terracing to a greater number of people.
